Chicago, Sept. 13 .- Cracking under the strain, the White Sox dropped the third game of the series to St. Louis yesterday at Comiskey Park, 5 to 3 Terry made a mess of an easy grounder, permitting two of the Browns to score when a third out was in sight. Ness muffed a throw from Weaver and Jackson was guilty of a fumble, both of which misplays figured in two of the runs. Besides this, others of the Sox played bad baseball, E. Collins once leaving second uncovered and Weaver falling to run out a fly to Shotton which the latter muffed.

MAROONS IN FIRST WORKOUT OF SEASON

Chicago, Sept. 13 .- Men are arriving every day to take preliminary workouts on Stagg field before the official opening of the practice season Sept. 20. Although Coach Stagg is in the east, handing his advice to the Vale trainers, and Pat Page is out of town, nine men have already showed up to take light work.

Yesterday most of the athletes got out on the turf about 4 o'clock. They took it easy, passing and kicking the ball and taking a few turns around the track. Kitty Gordon, Jack Agar, Hans Norgren, Frank Pershing, Spike Fisher and Walter Schafer of last year's squad were on hand, together with Dutch Gorgas and Andy McPherson of last year season's freshman team and Ed Marum a line candidate.

Initial Practice Will Be Held Sunday Morning Will Book Strong Games Here for Season,

BY CARL ED.

Rock Island is to be represented on the Sunday football map again this coming season. This much was de-termined at an enthusiastic booster meeting held last night at the Bijou cigar store. In response to the call issued by Jack Roche, man who put Sunday football on the map in Rock Island, 25 candidates responded. It was the unanimous opinion of those present that Rock Island should have a team, and an organization was decided upon. The team will retain the name of Independents. Roche intends to get busy at this early date to arrange for a schedule. Illinois has more strong teams than ever this season and only the topnotchers will he brought here for games with the Independents. Now that the fans here have been

insured a team their next question is "What are the prospects for a winning aggregation?" In this connection is In this connection i might be said that all available material has not yet been lined up.
